Full Time Equivalent Employees for each calendar year during the term of this Uniform Agency Project Agreement shall be the number reported in the Employment Affidavits delivered by the Company pursuant to Section 3.02(B) and this Section 3.02(E)(2).

(b) In the event that some or all of the Full Time Equivalent Employees employed at the Project Facility constitute Contract Employees, it shall be the responsibility of the Company to deliver, or cause to be delivered, the Quarterly Reports of the employers relating to such Contract Employees. The Company hereby agrees to provide such Quarterly Reports in accordance with the terms contained in Section 3.02(E)(2)(a) above.

(F) Non-Discrimination. (1) At all times during the term of this Uniform Agency Project Agreement, the Company shall not discriminate against any employee or applicant for employment because of race, color, creed, age, sex or national origin. As used herein, the term "treated" shall mean and include, without limitation, the following: recruited, whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship; promoted; upgraded; downgraded; demoted; transferred; laid off; and terminated.

(2) The Company agrees that, in all solicitations or advertisements for employees placed by or on behalf of the Company during the term of this Uniform Agency Project Agreement, the Company will state in substance that all qualified applicants will be considered for employment without regard to race, color, creed or national origin, age or sex.

(F) Agency Review of Recapture Determination. The Agency’s determination to recapture all or a portion of the Project Financial Assistance shall be made by the Agency after an evaluation of the criteria for recapture set forth in the Agency’s “Recapture Benefits Policy” as in effect as of the Closing Date (a copy of which policy is attached hereto as Schedule B). If the Agency determines that a Recapture Event has occurred, it shall give notice of such determination to the Company. The Company may make its presentation at a meeting of the Agency. The Agency shall then vote on a resolution recommending (i) a termination of Financial Assistance, (ii) a recapture of Financial Assistance, (iii) both a termination and a recapture of Finance Assistance, (iv) a modification of Financial Assistance or (v) no action.

SECTION 4.04. LATE PAYMENTS. (A) One Month. If the Company shall fail to make any payment required by this Uniform Agency Project Agreement within thirty days of the date that written notice of such payment is sent from the Agency to the Company at the address provided in Section 5.05 of this Uniform Agency Project Agreement, the Company shall pay the amount specified in such notice together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Uniform Agency Project Agreement when due and such delinquency shall continue beyond the thirty days after such notice, the Company’s obligation to make the payment so in default shall continue as an obligation of the Company to the Agency until such payment in default shall have been made in full, and the Company shall pay the same to the Agency together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

SECTION 4.05. PAYMENT OF ATTORNEY’S FEES AND EXPENSES. covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency within thirty (30) days not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.

SECTION 4.06. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Uniform Agency Project Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay. RECAPTURE BENEFITS POLICY

- SEE ATTACHED -

County of Lewis Industrial Development Agency

Project Recapture and Termination Policy

Pursuant to and in accordance with Section 874 (10)-(12) of the General Municipal Law (“GML”), the County of Lewis Industrial Development Agency (the “Agency”) hereby establishes a Project Recapture and Termination Policy for the suspension, discontinuance and/or recapture of Financial Assistance (as defined herein), or for the modification of any Payment in lieu of Tax Agreement (“PILOT Agreement”) to require increased payments under circumstances as specified herein, which may include but shall not be limited to events of material violation of the terms and conditions of any Project Agreement (as defined herein).

The Agency reserves the right pursuant to this policy and any applicable Project Agreement to suspend, discontinue and/or recapture any financial assistance granted for a project that may include: (i) sales and use tax exemptions; (ii) mortgage recording tax exemptions; and (iii) real property tax abatements governed by a PILOT Agreement (collectively, “Financial Assistance”). The Agency’s provision of Financial Assistance shall be administered and governed pursuant to one or more Project Agreements, which shall include (i) an Agent, Financial Assistance and Project Agreement, (ii) Leaseback Agreement, and/or (iii) PILOT Agreement, along with related documents and herein, each a “Project Agreement”.

I. Sales and Use Tax Benefits – Mandatory Recapture

In accordance with GML Section 875(3), if the Agency grants any sales and use tax exemptions to any applicant (hereinafter, the “Company”) and it is determined that:

- i. the Company is not entitled to the sales and use tax exemption benefits;
- ii. the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company;
- iii. the sales and use tax exemption benefits are claimed outside the period authorized by the Agency;
- iv. the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or
- v. the sales and use tax exemption benefits are taken in cases where the Company fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project, then the Agency is bound and shall recapture the sales and use tax benefits from the Company and the Agency, in its sole discretion, may terminate all applicable Project Agreements.

The Agency’s Project Agreements shall include provisions whereby the Company will:

- i. cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and
- ii. promptly pay over any such amounts to the Agency that the Agency demands in connection therewith.

The Agency shall cooperate with the New York State Tax Commissioner in connection with any efforts by the State of New York to assess and determine New York State and local sales and use

taxes due from the Company, together with any relevant penalties and interest due on such amounts. Upon receipt, the Agency shall remit any recaptured sales and use tax benefits to applicable affected tax jurisdiction(s).

II. Termination of Project Agreements

The Agency reserves the right to terminate any Project Agreement if a Company incurs any uncured event of default thereunder. In such an event, all prospective Financial Assistance will be terminated by the Agency for a violation of any material term contained within an Application for Financial Assistance and/or any Project Agreement. Any such termination shall be undertaken upon prior notice delivered to the Company in accordance with the provisions hereof and of the applicable Project Agreement(s). In addition, the Agency further reserves the right to terminate any Project Agreement upon submission by a Company of any knowingly false or knowingly misleading information within any Application for Financial Assistance or within any Project Agreement. Upon termination of Project Agreements, all prospective Financial Assistance shall cease as of the date of such termination and the Agency reserves the right to undertake recapture of prior Financial Assistance conferred in accordance with this policy and the provisions of the Project Agreements.

III. Recapture and Cessation of Financial Assistance; Due Process

Recapture of Financial Assistance: The Agency reserves the right to undertake and enforce the recapture of Financial Assistance previously conferred to a Company where it is determined through the process specified below, that:

- i. Financial Assistance was obtained as a result of a knowing, misstatement of a material fact where such misstatement occurred in the Application for Financial Assistance, in any written submission, or in any on the record verbal statement made to the Agency or Agency staff.
- ii. An applicant failed to achieve the goals identified as Material Factors by the Agency at the time that the Financial Assistance was approved. Such recapture of Financial Assistance, to the extent provided by law, may consider extenuating and mitigating circumstances and may consider the extent to which the Applicant failed to achieve and maintain the Material Factors.

For purposes of this Policy, "*Material Factors*" are factors determined by the Agency as being so significant that without such factors at the level specified, it is unlikely that the Agency would have agreed to grant the Financial Assistance. Such factors generally include, but are not limited to, the number of net new permanent jobs, the dollar value of net new investment, the use of local labor and in some circumstances the number of construction jobs. The quantity of such Material Factors (said Material Factors typically determined at the time a Project is granted Financial Assistance) and the threshold for the termination of Financial Assistance and for the recapture thereof shall be determined by the Agency and Agency staff, as appropriate (and as further identified, below), on a case by case basis.

Cessation of Financial Assistance: The Agency further reserves the right to undertake the cessation of Financial Assistance to be conferred by the Agency to any Company without undertaking termination of a Project Agreement (including, but not limited to any PILOT Agreement), where any Material Factor is identified by the Agency as having been violated and/or not satisfied by a Company within any particular reporting period. Specifically, the Agency reserves the right and shall

require within all Project Agreements that the Company acknowledge and agree that the Agency may in its unilateral discretion cease and curtail all or portions of Financial Assistance to be conferred where a Company fails to achieve or maintain job creation and retention goals as set forth within a Company's Application for Financial Assistance.

For the purposes of this Policy and any Project Agreement, "Full-Time Employee" shall mean, with respect to any specific date or period, a person directly employed on such date or during such period by the Company (inclusive of its Affiliates, and in the case of a multi-tenanted facility, all tenants of such facility), and who shall on such date or for such period have carried out the terms of such employment on a "full-time basis" at the Project. "Full-time basis" shall mean a person working at least 35-40 hours per week. The term Company Employee shall also include a part-time employee ("Part-Time Employee"), which will count as a fraction of a Full-Time Employee (an employee working 17.5-20.0 hours per week will count as .5). A seasonal employee will also count as a fraction of a Full-Time Employee based on the number of full months worked in a year (an employee hired to work only for three months in a year will count as .25).

If a determination is made to recapture an abated amount of real property tax payment or payments provided by and through the Agency to an Applicant under the terms of a PILOT Agreement, the maximum amount that may be recaptured is equal to, but may be less than, the sum total of real property tax abatement received by the Applicant in the year or years that the violation(s) of Material Factors occurred as so determined by the Agency and as provided in the related inducement resolution authorizing the provision of Financial Assistance to the Applicant.

All determinations by the Agency with respect to recapture shall be final. The Agency reserves all rights and remedies pursuant to applicable law, including the right to enforce payment of all recaptured sums through applicable provisions of the Project Agreement(s) and to institute legal actions to recover any recaptured sums.

V. Flexible Application of Termination of Agency Benefits and Recapture of Agency Benefits.

To the extent permitted by law and Agency policies, the Agency Board shall have broad discretion in recommending how to implement the termination of Project Agreements, Cessation of Financial Assistance and recapture of Financial Assistance. Such recommendation related thereto shall be based upon the circumstances that trigger such action. The Agency Board shall consider the extent of the violation of a Material Factor, the duration of such violation, the cause of such violation and the extent to which there was a creation of net new jobs, new investment, the use of local labor and such other Material Factors as may have been considered at the time of the inducement.

ARTICLE II

COVENANTS AND AGREEMENTS

SECTION 2.01. **TAX-EXEMPT STATUS OF THE PROJECT FACILITY.** (A) Assessment of the Project Facility. Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of a leasehold interest in the Project Facility by the Agency and the filing by the Agency of a New York State Board of Real Property Services Form RP-412-a (a “Real Property Tax Exemption Form”) with respect to the Project Facility, and for so long thereafter as the Agency shall own the Project Facility, the Project Facility shall be assessed by the various taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Project Facility is located (such taxing entities being sometimes collectively hereinafter referred to as the “Taxing Entities”, and each of such Taxing Entities being sometimes individually hereinafter referred to as a “Taxing Entity”) as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest to the Project Facility created by the Underlying Lease and the filing of the Real Property Tax Exemption Forms. The Company shall, promptly following acquisition by the Agency of the leasehold interest to the Project Facility created by the Underlying Lease, take such action as may be necessary to ensure that the Project Facility shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, including ensuring that a Real Property Tax Exemption Form shall be filed with the appropriate officer or officers of each respective Taxing Entity responsible for assessing properties on behalf of each such Taxing Entity (each such officer being hereinafter referred to as an “Assessor”). For so long thereafter as the Agency shall own such leasehold interest in the Project Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Project Facility shall not be entitled to such tax-exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent to the date upon which the Agency becomes the holder of record of such leasehold interest in the Project Facility and the Real Property Tax Exemption Forms are filed with the Assessors. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. The Agency will cooperate with the Company to obtain and preserve the tax-exempt status of the Project Facility.

(B) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies (e.g., water, sewer or fire district charges). Pursuant to the Lease Agreement, the Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

SECTION 2.02. **PAYMENTS IN LIEU OF TAXES; OTHER PAYMENTS IN LIEU OF TAXES.** (A) Agreement to Make Payments. The Company agrees that it shall make payments in lieu of property taxes in the amounts hereinafter provided to the respective Taxing Entities entitled to receive same pursuant to the provisions hereof. The payments due hereunder shall be paid by the Company to each of the Taxing Entities entitled to receive same pursuant to the provisions hereof.

(B) Payments in Lieu of Taxes. (1) During the term of this Payment in Lieu of Tax Agreement, the Company agrees that it shall make annual payments (each, a “Payment in Lieu of Taxes”) to the Taxing Entities pursuant to the terms of this Payment in Lieu of Tax Agreement, each such annual Payment in Lieu

of Taxes to be in an amount equal to the product of (a) **\$8,000 per megawatt** of installed capacity of the wind turbine generators which comprise a portion of the Project Facility (the “Wind Turbine Facilities”) times (b) the actual installed capacity of the Wind Turbine Facilities, calculated on the third (3rd) business day prior to the date on which the related payment is due pursuant to Section 2.02(B)(2); provided, that, commencing in 2024, the \$8,000 per megawatt factor shall increase by 1.50%, and such factor shall thereafter further increase each year by 1.50% annually for the term of the Payment in Lieu of Tax Agreement.

(2) During the term of this Payment in Lieu of Tax Agreement, each annual Payment in Lieu of Taxes will be payable on January 1 of each year (commencing on January 1, 2023), subject to the thirty (30) day grace period described in Section 2.02(H) hereof, and shall be distributed to the following entities in accordance with the described allocation:

Taxing Entity	Percentage
Town of Lowville	9.40%
Town of Harrisburg	9.60%
Lewis County	39.20%
Lowville Academy and Central School District	18.30%
Copenhagen Central School District	23.50%

(3) A table illustrating the potential Payment in Lieu of Taxes payable by the Company assuming an actual installed capacity of 103.9 MW is attached as Exhibit B to this Payment in Lieu of Tax Agreement.

(C) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition has been made to the Project Facility or any portion thereof or any additional building or other structure has been constructed on the Land (such structural additions and additional buildings and other structures being hereinafter referred to as “Additional Facilities”) the Company agrees to make additional annual payments in lieu of property taxes with respect to such Additional Facilities (such additional payments being hereinafter collectively referred to as “Additional Payments”) to the Receivers of Taxes with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(1) Determine the amount of general taxes and general assessments (hereinafter referred to as the “Additional Normal Tax”) which would be payable to each Taxing Entity with respect to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency as follows: (a) multiply the Additional Assessed Value (as hereinafter defined) of such Additional Facilities determined pursuant to Section 2.02(D) of this Payment in Lieu of Tax Agreement by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency, and (c) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and not the Agency.

(2) In each fiscal tax year during the term of this Payment in Lieu of Tax Agreement (commencing in the fiscal tax year when such Additional Facilities would first appear on the assessment roll of any Taxing Entity) if such Additional Facilities were owned by the Company and not the Agency, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to one hundred percent

(100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such fiscal tax year (unless the Agency and the Company shall enter into a separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

(D) Valuation of Additional Facilities for Determining Additional Payments in Lieu of Taxes.

(1) The value of any Additional Facilities for purposes of determining Additional Payments due pursuant to Section 2.02(C) of this Payment in Lieu of Tax Agreement shall be determined by the Assessors of each respective Taxing Entity. The parties hereto agree that the Assessors shall (a) appraise the Additional Facilities in the same manner as other similar properties in the general area of the Project Facility, and (b) place a value for assessment purposes (hereinafter referred to as the "Additional Assessed Value") upon the Additional Facilities, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial establishment of such Additional Assessed Value and of any change in such Additional Assessed Value.

(2) If the Company is dissatisfied with the amount of the Additional Assessed Value of the Additional Facilities as initially established or as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Additional Assessed Value, or of a change in such Additional Assessed Value, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and the Agency. If the Agency, the Company and any Assessor shall fail to reach agreement as to the proper Additional Assessed Value of the Additional Facilities for purposes of determining payments in lieu of taxes due under this Payment in Lieu of Tax Agreement, then such Assessor, the Company and the Agency shall each select one arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall be a qualified real estate appraiser, experienced in valuation for the purposes of tax assessment in the general area of the Project Facility, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Additional Assessed Value of the Additional Facilities has been properly established by the Assessor. It is understood that the arbitrators are empowered to confirm the Additional Assessed Value or to determine a higher or lower Additional Assessed Value. Any payments in lieu of taxes due upon such Additional Facilities pursuant to Section 2.02(C) hereof may not be withheld by the Company pending determination of the Additional Assessed Value by the arbitrators.

(G) Statements. Pursuant to Section 858(15) of the Act, the Agency agrees to give each Taxing Entity a copy of this Payment in Lieu of Tax Agreement within fifteen (15) days of the execution and delivery hereof, together with a request that a copy hereof be given to the appropriate officer or officers of the respective Taxing Entities responsible for preparing the tax rolls for said Tax Entities (each, a "Tax Billing Officer") and a request that said Tax Billing Officers submit to the Company and to the appropriate Receiver of Taxes periodic statements specifying the amount and due date or dates of the payments due each Taxing Entity hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such Taxing Entities.

(H) Time of Payments. The Company agrees to pay the amounts due under Section 2.02(B) hereof as Payments in Lieu of Taxes to the Taxing Entities within thirty (30) days of the date that such amounts are due. The Company agrees to pay the other amounts due as payments in lieu of taxes hereunder to each particular Taxing Entity in any fiscal tax year within the period that such Taxing Entity allows payment of taxes levied in such fiscal tax year without penalty. The Company shall be entitled to receive receipts for each such payment.

(I) Method of Payment. All payments by the Company hereunder shall be paid to the respective Taxing Entities in lawful money of the United States of America.

SECTION 2.03. CREDIT FOR TAXES PAID. (A) Amount of Credit. The parties hereto acknowledge and agree that the obligation of the Company to make the payments provided in Section 2.02 of this Payment in Lieu of Tax Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever which the Company may be required to pay under the Lease Agreement. It is understood and agreed, however, that, should the Company pay in any fiscal tax year to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Project Facility or the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, (1) sales and use taxes, and (2) special assessments, special ad valorem levies or governmental charges in the nature of utility charges, including but not limited to water, solid waste, sewage treatment or sewer or fire district or other rents, rates or charges), then the Company's obligation to make payments in lieu of property taxes attributed to such fiscal tax year to such Taxing Entity hereunder shall be reduced by the amounts which the Company shall have so paid to such Taxing Entity in such fiscal tax year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other fiscal tax year.

(B) Method of Claiming Credits. If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the governing body of the affected Taxing Entity and the Agency prior written notice of its intention to claim any credit pursuant to the provision of this Section 2.03, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's right to claim such credit, then said governing body, the Agency and the Company shall each select an arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall meet the qualifications set forth in Section 2.02(B) hereof, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Company is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or to determine a lower or higher credit. When the Company shall have given notice, as provided herein, that it claims a credit, the amount of any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company, but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company shall, to the extent withheld as aforesaid, be immediately due and payable and shall be paid by the Company within thirty (30) days of said decision.

SECTION 2.04. LATE PAYMENTS. (A) First Month. Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due, the Company shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the

first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

ARTICLE III
LIMITED OBLIGATION

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY. (A) No Recourse. All obligations, covenants, and agreements of the Agency contained in this Payment in Lieu of Tax Agreement shall be deemed to be the obligations, covenants, and agreements of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Payment in Lieu of Tax Agreement, or otherwise based upon or in respect of this Payment in Lieu of Tax Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Payment in Lieu of Tax Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement, it being expressly understood that this Payment in Lieu of Tax Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Payment in Lieu of Tax Agreement by the Agency.

(B) Limited Obligation. The obligations, covenants and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or Lewis County, New York, and neither the State of New York nor Lewis County, New York shall be liable thereon, and further such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined in the Lease Agreement).

(C) Further Limitation. Notwithstanding any provision of this Payment in Lieu of Tax Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity and an agreement from the Company to defend and hold harmless the Agency satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT. Any one or more of the following events shall constitute an event of default under this Payment in Lieu of Tax Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Payment in Lieu of Tax Agreement, any one or more of the following events:

(A) Failure of the Company to pay when due any amount due and payable by the Company pursuant to this Payment in Lieu of Tax Agreement and continuance of said failure for a period of fifteen (15) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed hereunder (other than as referred to in paragraph (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period and if the Company shall have commenced action to cure the breach of covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as the Company shall require in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of ninety (90) days in the aggregate from the date of default; or

(C) Any warranty, representation or other statement by or on behalf of the Company contained in this Payment in Lieu of Tax Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Payment in Lieu of Tax Agreement and (1) shall be materially adverse to the Agency at the time when the notice referred to below shall have been given to the Company and (2) if curable, shall not have been cured within thirty (30) days after written notice of such incorrectness shall have been given to a responsible officer of the Company, provided that if such incorrectness cannot reasonably be cured within said thirty-day period and the Company shall have commenced action to cure the incorrectness within said thirty-day period and, thereafter, diligently and expeditiously proceeds to cure the same, such thirty-day period shall be extended for so long as the Company shall require, in the exercise of due diligence, to cure such default.

SECTION 4.02. REMEDIES ON DEFAULT. (A) General. Whenever any Event of Default shall have occurred with respect to this Payment in Lieu of Tax Agreement, the Agency (or if such Event of Default concerns a payment required to be made hereunder to any Taxing Entity, then with respect to such Event of Default such Taxing Entity) may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Payment in Lieu of Tax Agreement.

(B) Cross-Default. In addition, an Event of Default hereunder shall constitute an event of default under Article X of the Lease Agreement. Upon the occurrence of an Event of Default hereunder resulting from a failure of the Company to make any payment required hereunder, the Agency shall have, as a remedy therefor under the Lease Agreement, among other remedies, the right to terminate the Lease Agreement and convey the Project Facility to the Company, thus subjecting the Project Facility to immediate full taxation pursuant to Section 520 of the Real Property Tax Law of the State.

(C) Separate Suits. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises.

(D) Venue. The Company irrevocably agrees that any suit, action or other legal proceeding arising out of this Payment in Lieu of Tax Agreement may be brought in the courts of record of the State, consents to the jurisdiction of each such court in any such suit, action or proceeding, and waives any objection which it may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. Pursuant to Section 874(6) of the Act, if the Company should default in performing any of its obligations, covenants or agreements under this Payment in Lieu of Tax Agreement and the Agency or any Taxing Entity should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency or such Taxing Entity, as the case may be, not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency or any Taxing Entity is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Payment in Lieu of Tax Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required. In order to entitle the Agency or any Taxing Entity to exercise any remedy reserved to it in this Payment in Lieu of Tax Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Payment in Lieu of Tax Agreement.

(D) No Waiver. In the event any provision contained in this Payment in Lieu of Tax Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Payment in Lieu of Tax Agreement shall be established by conduct, custom or course of dealing.

ARTICLE V

MISCELLANEOUS

SECTION 5.01. TERM. (A) General. This Payment in Lieu of Tax Agreement shall become effective and the obligations of the Company shall arise absolutely and unconditionally upon the approval of this Payment in Lieu of Tax Agreement by resolution of the Agency and the execution and delivery of this Payment in Lieu of Tax Agreement by the Company and the Agency. Unless otherwise provided by amendment hereof, this Payment in Lieu of Tax Agreement shall continue to remain in effect for a term of approximately thirty (30) years (the "PILOT Term" ending on December 31, 2052). On the date that the final Payment in Lieu of Taxes is paid by the Company, the PILOT Term shall end, and, upon termination of the PILOT Term and the recordation in the office of the County Clerk of Lewis County, New York, of documents evidencing the reconveyance by the Agency to the Company of the Agency's interest in the Project Facility, this Payment in Lieu of Tax Agreement shall be terminated, unless (1) otherwise provided by amendment hereof, or (2) on the date that such final Payment in Lieu of Taxes is paid by the Company, the Project Facility shall not have been reconveyed by the Agency to the Company pursuant to the Lease Agreement, in which case this Payment in Lieu of Tax Agreement shall continue to remain in effect for an additional term (the "Term") ending on the date on which the Project Facility is reconveyed by the Agency to the Company pursuant to Article X or XI of the Lease Agreement.

(B) Extended Term. In the event that (1) the Project Facility shall be reconveyed to the Company, (2) on the date on which the Company obtains the Agency's interest in the Project Facility, the Project Facility shall be assessed as exempt upon the assessment roll of any one or more of the Taxing Entities, and (3) the fact of obtaining title to the Agency's interest in the Project Facility shall not immediately obligate the Company to make pro-rata tax payments pursuant to legislation similar to Chapter 635 of the 1978 Laws of the State (codified as subsection 3 of Section 302 of the Real Property Tax Law and Section 520 of the Real Property Tax Law), this Payment in Lieu of Tax Agreement shall remain in full force and effect and the Company shall be obligated to make payments to the Receiver of Taxes in amounts equal to those amounts which would be due from the Company to the respective Taxing Entities if the Project Facility were owned by the Company and not the Agency until the first tax year in which the Company shall appear on the tax rolls of the various Taxing Entities having jurisdiction over the Project Facility as the legal owner of record of the Project Facility.

(C) Termination of the Lease Agreement. As provided in Section 12.8 of the Lease Agreement, the Company acknowledges that termination of the term of the Lease Agreement, either pursuant to the terms of Section 5.2, Article X or Article XI of the Lease Agreement, shall not relieve the Company of its obligation to make the Payments in Lieu of Taxes due pursuant to Section 2.02(B) of this Payment in Lieu of Tax Agreement and all other amounts due and payable pursuant to this Payment in Lieu of Tax Agreement and any host community agreement.

SECTION 5.02. FORM OF PAYMENTS. The amounts payable under this Payment in Lieu of Tax Agreement shall be payable in such coin and currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts.

SECTION 5.03. COMPANY ACTS. Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

SECTION 5.04. AMENDMENTS. This Payment in Lieu of Tax Agreement may not be effectively amended, changed, modified, altered or terminated except by an instrument in writing executed by the parties hereto.

SECTION 5.05. NOTICES. (A) General. (B) Notices Given by Taxing Entities. Notwithstanding the foregoing, notices of assessment or reassessment of the Project Facility and other notices given by a Taxing Entity under Article II hereof shall be sufficiently given and shall be deemed given when given by the Taxing Entity in the same manner in which similar notices are given to owners of taxable properties by such Taxing Entity.

Use of Local Workforce Policy

The use of 'local labor' will be a factor in evaluating this application. Answers to the following questions will assist us in that evaluation:

'Local labor' for the purpose of this application is defined as residents from Lewis, Oneida, Jefferson, St. Lawrence & Oswego Counties. If a 'labor workforce plan' has been designated, please include that plan as an addendum to this application. Questions below are applicable for both a construction project and for operations of a sustaining project.

- a. Please check which best describes your project scope:
 Construction Project Long Term Operations Project Both
- b. How will the project developer seek out and use the local workforce? If your workforce is already "local" by definition, please explain:
 Our bid package for contractors requires bids assume workers are paid prevailing wage.
 Our NYSEERDA contract requires we hit certain targets for NYS expenditures.
- c. What is your total expected workforce during the construction phase of the project? It will range from 25-320 people depending on phase of construction.
- d. What percentage of those are expected to be local? Many but percentage not known since we do not manage subcontractors.
- e. What is the total expected workforce during the operations phase of the project?
There will be approximately 5 full time operations workers, most of whom we expected can be hired locally.
- f. What percentage of the operational workforce will be local? 75-100%
- g. What specific approaches are to be used in your efforts to identify local workforce candidates if additional project workers are necessary?
We will advertise locally and train technicians if needed.

- h. If additional contractors or subcontractors are to be hired, will you request use of local labor? If so, please give examples of how that request will be made:

We prefer local workers to operate our projects, as they are invested locally and will stay with the project and company for a long time. We will put out notices locally, and already have a list of local people who have reached out to us to be notified when hiring begins.

- i. The LCIDA acknowledges that the extensive use of local labor is not always possible. Are there circumstances, such as those used in the examples below, that will affect the percentage of local labor for your project? Please explain:

- i. Is there a warrantee issue involved?
- ii. The work is so highly specialized that local labor cannot be found.
- iii. You identified a significant cost differential when using local labor.
- iv. No local labor is available.

There is some specialized work that might not have local people to fill it, but more likely in 2020 when this will be under construction, the wind construction labor market will be extremely tight, with many projects under construction simultaneously, so it may be a question of availability.

It is the intention of the LCIDA to randomly verify the use of the local labor workforce, using whatever method it determines most effective. This verification may occur throughout the term of any incentive programs or loans granted.

11. Positive Impacts

- a. Please list any other positive impacts that the project may have on Lewis County:

Local purchasing of materials will include aggregate, concrete, asphalt, fuel, culverts, straw, equipment rental, meals, road repairs, and lodging, estimated at \$8.1 million.
